... html â€” 13 â€” And yet, despite all the numerous arguments in favor and against, I think that, after all, this music is music, and you should pay attention to it! After all, how many people, so many opinions, and everyone has their own, and it can very much differ from the opinions of others! And yet I recommend that you try listening to this musical project, because I'm sure you won't regret it!

Happy listening everyone! dd2bc28256
