. 1508 (RM-388) and amplifier; 1508i (RM-430) â€¢ Not signed by Microsoft WHQL Installation path â€¢ The USB driver will be installed in C:\\Program Files\\Nokia\\NOKIA CDMA. There are already three folders there: Nokia, N-Gage and N-Gage QD. During installation, if you specify the C:\\Program Files\\Nokia\\NOKIA Nokia folder, you will be prompted to install the driver into it. One more thing. In order to avoid errors during installation, you need to specify the N-Gage folder at the first start and create a folder with any name there. For example: c:\\games\\ If you do everything correctly, then the game after installation, upon loading, will give you a message: "The application that was installed on this device is for Nokia N-Gage QD."
